Jeff.
Its been fun
knowing you and
seeing you in 4th
good in ~~future~~ future

Jeff, as I feel and have told the others that was in our group to France, there is a place with me. that you all as a group and as individuals I will keep forever. It sounds funny coming from a guy I know but only you and the group can know my feelings. The emotions are over flowing and everlasting. We were pretty good friends before the trip, in football, but sharing 3 weeks of my life with you guys in France was the best 3 weeks of my life so far. For this reason, I feel that we are more than friends, but companions, I especially see you (continued at bottom of page.)

Jeff - a nice guy with a great personality. Good luck for graduation (you'll don't have too much fun this summer.

Jeff,

Well, I really am stuck on what to write in this thing. It's your Senior year and you will be leaving soon, of course you know that, but I just thought I'd refresh your memory. French, well, its been just great. Your sense of humor is beyond compare and I will remember it forever.

I hope your future is filled with everything you want. The Best of Luck to you in the Army and I hope you survive basic training. Reenlist and I'll probably see you there! I'll miss you.

Love,
Kevin

OPEN HOUSE BEGINS THE SCHOOL YEAR

Open house at McCluer has always been a new start for the school year. It gives the students a chance to bring their parents to school and show off their new teachers.

Parents receive a good feeling as they walk through the halls of McCluer, recalling memorable times at their high school.

Teachers respond in a positive way about open house, as Mr. Rowan states, "Teachers had a chance to meet some fine parents and make contacts for the entire year. The year is always more successful when you can have a good relationship with a student's family."

This year's Open House, on September 26, was a warm one, welcoming the new year to begin.

The 1985 Run had more participants than any other year.

RUN/WALK A SUCCESS

The 1985 Scholarship Run/Walk was blessed with some excellent weather and possibly the best participation in the event's three year history.

Participation in this year's Run/Walk exceeded last year's record of 3,300 participants, according to Dan White, race coordinator. However, donations were off a little bit from last year because fewer people used the pledge system this year, Mr. White said.

The race was truly an event for the young and old. McCluer was one of four schools that had 200 plus participation.

HOMECOMING '85

On Saturday, October, 26, 1985, with temperature in the seventies, the Homecoming festivities began on what turned out to be a perfect day for everyone involved.

The activities began at nine o'clock in the morning with the judging of the floats. Twengy-plus brightly decorated floats were entered in the parade. Many groups were represented in the parade, with the Freshman attendant car taking first place and the Girls Tennis taking second. in the car division. The truck trophy was a tie between the SADD float and the softball float with second place being given to the Cheerleaders' float.

The coronation was next on the agenda. The ceremonies were held in the M-I Circle. After the presentation of the Homecoming candidates, the Queen and her court were announced. The 1985 Homecoming Queen is Jewel Wilkes and the Homecoming King is George Hollowell. The parade soon followed after the coronation. The floats travelled throughout the McCluer attendance area, arriving back at McCluer shortly thereafter.

With the temperature now in the eighties the football began. The McCluer Comets played host to the Hazelwood East Spartans, in what turned out to be an upsetting 35-0 defeat for the Comets. Even though the Comets were soundly beated by the Spartans, the carnival atmosphere continued through the day and long into the evening hours.

The theme of "Cherish the Love" was well represented from the beginning ceremonies of Homecoming, to the last dance of the evening. The McCluer Homecoming Dance was held in the M-I Gym.

The excitement of class ring arrival is taken very seriously here at McCluer. For months, the students anxiously await the traditional ring breakfast in December, where they receive their class rings. The students eat their breakfast as the traditions of new ring arrival are told; such as, they should have their rings turned 87 times by 87 friends for their graduating year, to bring good-luck. Overall, this year's ring breakfast will be remembered by all.

CHRISTMAS

HOLIDAY SEASON: A FESTIVE TIME

This year's Christmas at McCluer started off on the right note, with a pep assembly, parties, exchanging of gits, and sitting on Santa's lap, and ended with the annual Christmas dance "White Christmas".

There's a certain sense of Christmas love in the air. It seems like everytime around Christmas people show a different side; that has never been seen before. They are caring for the homeless, feeding the poor, and helping the needy. This was one of the most memorable Christmas's at McCluer.

The Christmas season at McCluer is a festive time of the year. Students could get their pictures taken with Santa in the Cafeteria (top), or help decorate their advisory's door for the Christmas decorating contest (above). Office Christmas trees were apparent (above) as well as the Disney Christmas decorations in the M-3 Lobby (left).

The combined choirs of McCluer, McCluer North, and Berkeley, and the schools' combined orchestras performed the annual Christmas Vespers Concert at McCluer North on December 15.

VESPERS CONCERT BRINGS CHEER.

This Vespers program was a slight change from last years. The program was presented at the McCluer North Gym on December 15. This concert was given by the combined concert choirs of McCluer, McCluer North and Berkeley, with the accompaniment of the Combined Stringed Orchestra. The concert started off with the traditional Processional, followed by a presentation of "Gloria" by Vivaldi.

Soloists included Megan Brown, Denise Longinette, and Mrs. Patti Riggle.

The Vespers Concert brought much excitement to the students and Christmas cheer to the parents. The event was much enjoyed by all.

NOTABLE NOTES

There are many different kinds of bands at McCluer, like the Pep band which plays at the assemblies and home Basketball games, the Marching band which plays at all home Football games along with the new Flag Corp which is made up of 4 Pom-pon girls and some band members. Also, the Jazz band and the Concert band which had a preformance at the Florissant Civic Center. Everyone is under the direction of Mr. Ron Frede.

DANCES BRING SCHOOL SPIRIT

Everyone at McCluer must admit to looking forward to the dances, and meeting people that you never even knew went to the same school that you did.

There have been many dances this year: such as, Christmas Dance, Get Aquainted Dance, Valentines Day Dance and Homecoming, the dance everyone looks forward to.

The students get dressed up and hope to slow dance with that special someone.

The McCluer Comets were on top of the world in 1974 and 1975, winning back-to-back Missouri Class L Basketball Championships.

The 1974 Comets, coached by Mr. Larry Jacob (now McCluer's Athletic Director), finished 30-2 on the year. Along with winning the State Tournament, the team also won the Suburban North Coference Championship and the Normandy Christmas Tournament. Key players were Grayling Tobias, Guy Preston, Dave Watkins, Al Cooper, and Gary Tschannen.

The 1975 Comets, coached by Mr. Mark Bernsen, finished the regular season with a mediocre 14-9 record, but caught fire and never lost again in the State Tournament. They only finished 6th in the Suburban North, but they saved their best for last. Key players were Grayling Tobias, Bill Stoetzer, Larry Cooper, Matt Holiday, and Deron Thomas.

COMETS FALL SHORT

The Varsity Soccer Comet ended their season this year wit a below .500, record. They fe short of a District title by losin the first game to a tough Haze wood West squad, 3-2 in sudde death overtime.

One of the Comets' highlight was a 1-0 victory over the 3rd ranked team, Vianney. "Th game is evidence that we ca play with anyone," remarke Coach Bill Merello on the game Another important highlight fo the Comets was a pair of win over their arch-rival, McClue North. Each game was scored 2-

Although they didn't mak State (as last year), the Socce Comets feel they accomplished lot this year.

Kyle Whitson (11) clears the ball from his defensive half.

SOPHS IMPROVE

In spite of the team's overall re cord of 2-15-1, and the team league record of 1-6, the soph more soccer team had its m ments this season. Tim Warde as goalie, had limited experienc at the beginning, but by the en of the season he had improve his skills extensively. The hig scorers of the season were Ma Monroe and Jayson Hardie.

FRESHMAN SOCCER

A REPEAT

This year's freshman soccer team came up with the same results as last year's. They just couldn't get the ball in the net. Coach Drew Foster said, "If you don't score, you don't win."

The low point of the year came when the Comets were defeated by their arch-rivals McCluer North twice this year, (both 3 to 0 losses. The team's overall record was 3-8-2- at the end of this season. But not all was lost as the Comets defeated Riverview in a 3 to 0 victory.

The top scorers for the team were Tim Drone with 3 goals who also was one of the three team captions. The other two captions were Mike Brickey and Rob Fine. Rich Oris was the most improved player over this season.

COMETS IMPROVE

The football Comets, under new Head Coach Mike Mueller, had their best season in several years as they finished an even 5-5.

The Comet offense was paced by junior tailback Latrel Ware, who rushed for touchdowns and over 900 yards, and senior quarterback Mark Adair who passed for over 800 yards. Mark also broke two school records with an 83 yard touchdown pass to Latrel Ware and completing 58 passes, more than any other Comet quarterback.

The Comets were led on defense by juniors Henry Miller and Bryan Washington along with seniors Doug Chandler and Mike Philips. Hopefully this year was just a start of bigger and better things for McCluer football.

Sophs Try

This year, the McCluer sophomore football Comets, under the new Coaching Staff of Mr. Charles Schmidt and Mr. Mike Hudock, showed talent and the urge to win.

The Comets overall record was 2-7-1, but the team finished at 0-7 in the Suburban North Conference.

"Execute: we needed to execute better," stated Coach Schmidt. "If we had executed in the Hazelwood Central game, it would have set the tone for the rest of the season," he added.

The Comets experienced a heart-breaking loss to the McCluer North Stars 31-0. The team spirits soared when they crushed SLUH 19-0.

FRESHMEN WINLESS

The freshman Comets suffered quite a dissappointing season. Despite the efforts of team captains Reuebin McGee and David Wilson, they fell short of attaining any victories.

Coach Taff and Coach Hastings were both hoping for a winning season, but were dissatisfied with its outcome. Taff's absence next year may reduce the chances of the team's future success.

SLOWLY BUT SURELY

"They're improving, slowly but surely," stated Coach Wagner of the Girls' Tennis team. The Comets improved their record this year from 2-12 to a still disappointing, 3-11. Two of the Comets three victories came in league. They finished with a 2-5 league record.

Coach Wagner was happy with many key players this year, including Lynn Schubert and Captain Michele Mueller who had many excellent matches including tough matches in a disappointing 3-4 team loss to Ritenour in the last match of the season. Anita Bertolino and Laura Hoehn also had some excellent doubles play throughout the season.

Coach Wagner also stated "The highpoint of the year was we really didn't have any low points."

VARSITY DOWNS FLYERS

The varsity softball team this year fell short of a .500 season with only a 7-10 overall record. The junior varsity softball team, which was added to the Comet athletic program this year, had an exhibition season record of 2-4.

According to Coach Truman Gilbert the highlight of the varsity season was defeating Lindbergh, the returning state champions, 13-12. Coach Larry Jacob was pleased with his teams attitude; "They never gave up. Despite the score, they played hard and made it a close game."

Lisa Carpenter, Lisa Knoblock, and Kerry Sieberg were the Varsity captains. Carpenter also led the team in scoring along with Joan Cather, and Laura Rohrbach.

Due to an unexpected large numbers of girls trying out for the team this year, both coaches are expecting a well talented pair of teams next year.

UNEXPECTED OUTCOME

The Comet girls Varsity Volleyball team h had a good season with an overall record of 9. Thier league record was 4-3 and they to 2nd in District. "When you look at our reco the team has made minimal progress. But reality we have done exceptionally well. C team lacks height and power but they are ag quick, and determined," stated Coach Tere Cole

Coach Cole added, "The Comet girls pe form as a team, each girl is needed all the tim When one is not playing up to par, the othe perform below level. When one player is h they are all hot."

The team's two captains are Stephanie Ho shead and Nadine Potts, they are the centr part of the team. Stephanie as a senior h improved in every skill, she's aggressive, she acquired a sense of the game that is needed lead a team and she's developed power a strategy. JV ENDS/7-9

The 1985 Junior Varsity Volleyball team, coached by Miss Theresa Cole, had a fairly good season with a league record of 2-5 and a 7-9 overall.

Team captains this year were Jennifer Bell and Geneva Dalton. Jennifer Bell was also the team's high scorer, averaging 5 pts. a game with at least 2 of those being ace serves.

Taking 3rd place in our home tournament and defeating Lutheran North in 2 games for the title, proved to be one high point of the season. Another was that earlier this season, the team achieved the record of .500 and stayed very close to that until the end. Unfortunately, there was a low point as well, this being the loss to Pattonville in 3 games after defeating them previously in the tournament.

FRESHMEN END 12-3

The Freshman Volleyball am's overall record was 12-3, ith a league record of 5-2.

LACK OF RUNNERS DEFLATES GIRLS' C

Due to the lack of runners, this year's girls' cross country team was unable to send a full team to the State meet.

Coach George Hollowell was very dissapointed in the turnout of girls considering the fact that they had an impressive 7th place finish in last year's State finals.

The Comets had several strong showings this year, but one of their best came during the Pattonville Invitational.

In a 45-girl field, the Comet placed 2 girls in the top five. Ga Brashers finished a strong 5t place, while teammate Janet Bus finished an even stronger 2n place. Janet lost a close race t arch-rival Lisa Wurth from Haze wood Central.

Janet Buss became the first fe male runner ever at McCluer t collect all-conferance honors fo 3 straight years.

BOYS' TAKE LEAGUE TITLE

This year, the year of the Comet, has brought a very successful Varsity Boys Basketball team, better known as the "International Hoopers." The team won the Suburban North League title for the first time since 1974.

The Comets have completed the season with an overall record of (17-10), with a conference record of (6-2).

This year's Comets have proved to be quite a powerful team, making it to the second game in districts, with a (56-35) win over Aquinas, and a (53-61) loss to Riverview. At the Ft. Zumwalt Tournament, they took third place, and the team has been on and off the top 20 list all season, a considerable improvement over past years.

Highlights of this year's season were an impressive win over the Parkway West Longhorns, ranked ninth at the time, and the conference victory over Pattonville, also ranked ninth. Fans have supported the team in greater numbers this year, as evidenced at the Hazelwood Central game, where the Hoopers pulled off another big win at home. Overall, they thrilled the fans with an impressive (6-1) home record.

This strong Comet team consists of 5 starting Juniors and a host of other stars. Ed Closson and Bryan Washington had the highest scoring averages, while Chris Schneider and Wardell Womack led the team in rebounds. The most assists this season have been contributed by Corey Smith and Bryan Washington. The outlook for next year is very bright with all of this year's starters returning and only one third of the team will be lost to graduation.

SOPHS ARE UP

This year's Sophomore Basketball team has had its ups and downs, fortunate enough there were more ups than downs. With the team's leading scorer and captain, Daryl Hanes plus with their great defense, they won the McCluer North Sophomore Tourney. But sadly, the Sophomore Comets lost twice to their rivals, Ritenour.

With the development of an outstanding and hard working team, their overall record was 18-4; while in the league it was 6-2. The impressive talent of this young team will certainly add to the Varsity's winning punch next season.

FRESHMEN END 10-5

The 1985-86 Freshmen Boys asketball Team completed a inning season with a record of -5, under Coach Michael Hu- ock. There are no league stand- gs at this level; however, ainst league teams the Fresh- en Comets played 12 games and nished 8-4 losing 3 times to an defeated McCluer North, and ce to Ritenour.

Darryll Ballard led the team in coring and in steals, while Leon icks had the most rebounds and ighest field goal percentage. he highest free-throw percent- ge was held by Yuves Young.

This season's highpoint came on giving a strong Ritenour am their 2nd loss of the season overtime, at Ritenour. And the wpoint came when the Fresh- en Comets were defeated by arkway North in overtime, ere at Parkway North.

GIRLS B-BALL REBUILDS

This year has not been a very good one for the Comets. "They have the momentum but not the skill." stated some of the Comets fans. But other fans said "They have the skill but not the momentum." Coach Donna Terry said that this year was more or less a rebuilding one for the Comets.

They started off the year with a victory over Pattonville in the League Tourney by a score of 54 to 47 but this turned out to be the high point of the year. Their league record was 0-8 and their overall record was 3-16. Coach Donna Terry stated that what really hurt the team was their post-holiday slump. The team captains were (Senior) Nadine Potts and (Junior) Linda Seiber.

NOT STRONG ENOUGH

After taking 8th place in the Granite City Tourney, overthrowing Oakville, and tieing McCluer North, the McCluer wrestlers were still not strong enough to have a winning season. Their overall record 2-7-1 was due mainly to the inability of making weight at match time. Actually, they established a new record at Districts for having the most wrestlers not meet the weight requirement.

But nevertheless, with the league record of 0-6-1, McCluer still sent two wrestlers to State, Jerry Pankey and Henry Miller. An accomplishment made by few.

COMETS TRY

The Comet swimmers strug-
gled through their season th
year. The troubles they face
were due to two factors. Th
greatest being the lack of swim-
mers and the other was that th
majority of the team was main
Freshmen and Sophomores.

Individual efforts were stron
throughout the year with Bre
Woods qualifying for state in th
first meet. He also broke tw
conference recores in the 50 an
100 freestyle. The Comet's 2
medley relay also traveled to Co-
lumbia for the state meet. Bre
Woods, Andy Krone, Dave Burch
and Freshmen Mike Bricke
make up that relay team.

The team was led to their so
league victory by their co-cap-
tains Brett Woods and And
Krone. The Comet's may hav
had their hard times this yea
but their young team looks for
successful season in the future

YOUNG COMETS STRUGGLE

The 1985-86 McCluer Club Hockey team had a disappointing season. The Comets ended up with a 1-20 record this year. The one bright spot for the Hockey Comets was leading scorer Andy Beaman. The All-Star senior scored 35 goals and added 4 assists.

The Hockey team had a new look this year with the addition of Hockey Cheerleaders. Beaman commented, "They were a real boost for our morale, even though we weren't winning they were still at every game cheering us on, we appreciated that."

The Comets can look forward to next year though, as Beaman was the only senior and everyone else will be returning.

SUPPLEMENT

PROM 1986

A NIGHT IN NEW YORK

"A Night in New York" was chosen as the theme of this year's Junior-Senior Prom. Prom was held at the Pipefitters Hall from 7:30 to 11:30 p.m. on Friday, May 9.

This year from 7:30 to 9:00 p.m., hot and cold hors d'oevres were served and when 10 o'clock came along students could make their own ice cream sundaes.

This year's prom committee was made up of selected members of student council. Their effort and time spent on the decorations was greatly appreciated. Next year's prom committee has not yet been selected.

GRADUATION

'86ERS GRADUATE

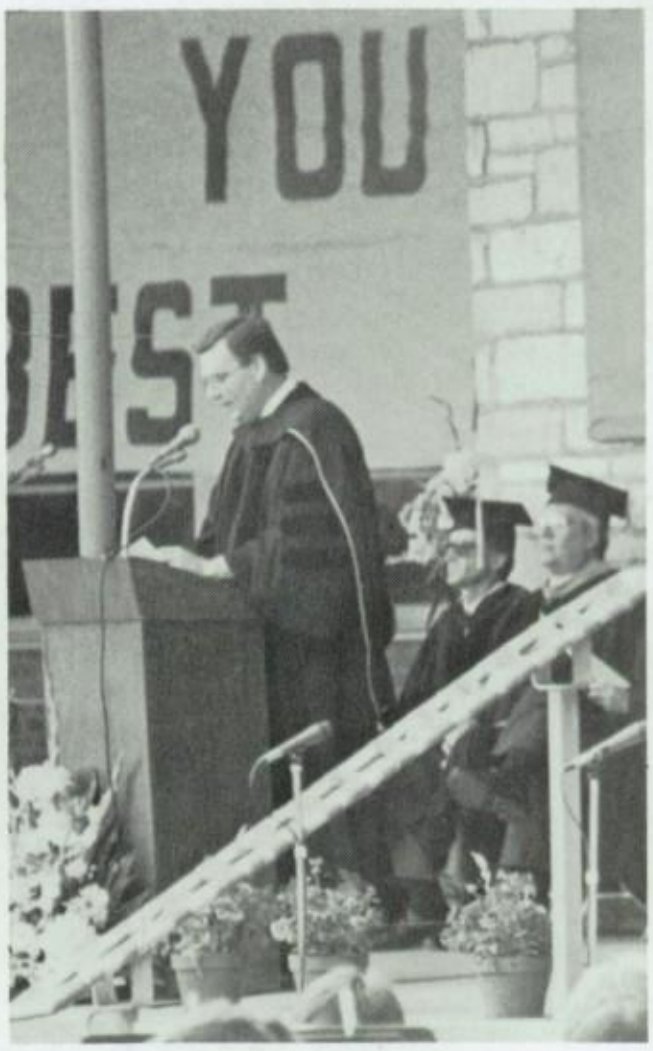
The McCluer Class of '86 (the first class ever to have attended McCluer for four years) was graduated on June 3 at the 1986 Commencement Exercises held in the M-I Circle.

The approximately 400 graduates and their guests listened to addresses by Salutatorian Peter Vedder, Valedictorian Andy Krone, and Dr. Daniel Keck, Superintendent of Schools, before being called to the podium to receive their diplomas.

After assembling on the lawn outside of the M-I Building, the graduated moved down the stairway to the M-I Circle.

After arriving at their seats, the graduates of '86 nervously awaited the diploma ceremony.

Salutatorian Peter Vedder offered insights into the meaning of graduation.



Dr. Daniel Keck, Superintendent of the Ferguson-Florissant School District, saluted the graduates for their achievement.

Valedictorian Andy Krone summed up the graduates feelings as they awaited being called to the podium.

CLASS OF 86

The combined Choirs and Orchestra provided a musical interlude prior to the ceremonies.

The magic moment finally arrived for the 400 graduates.

BROADWAY MELODIES

COMBINED CHOIRS PERFORM CONCERT

This year instead of a musical, McCluers Concert and Sophomore Choirs put on a Broadway Review. The choirs used selections from, "The King And I," "Grease,", "Fantastiks," "Man Of La Mancha," and "A Chorus Line." The show was held for two evenings at the Florissant Civic Center. Music was selected and directed by Mrs. Patty Riggle.

PTSA Sponsors Party

The annual Crest yearbook Distribution Party was held this year on May 20, in the M-2 Cafeteria. The event, which was first sponsored by the McCluer PTSA in 1984, annually offers McCluer students a chance to look over the yearbook, socialize with friends, and get their Crest signed.

This year, over 500 students attended the Party and partook of the free refreshments provided by the PTSA.

At the start of this year's Party, Crest Co-Editor Claire Towle presented Mrs. Leslie Hogshead, president of the PTSA, with an award from the Crest and Scoop staffs for the PTSA's continued support of school publications, and in honor of the McCluer chapter's designation as Missouri Parent/Teacher group of the year for 1986.

The Party, which lasted from 6:00pm to 9:00pm offered students one last chance to see their friends before the end of the school year. Many students showed up early and stayed throughout the entire evening.

COMETS END 9-13

The 1986 Varsity Baseball team fell short of breaking even this year with an overall record of 9-13. Their league was an almost even 6-8.

Coach Mike Mueller summed up the season in one statement: "We had good pitching and a good defense, but our lack of hitting is a reflection of our record." Quote, unquote.

Despite the bats of Darnell Hawkins, who batted .597, and Mark Adair, who hit .367, the team just couldn't get the bats swinging. Hawkins lead the team in home runs with 6 and Adair was right behind with 4.

The highpoint of the season was beating Hazelwood Central 1-0 in their first league game.

SOPHS END 4-10

This year's JV baseball team experienced a disappointing season at four and ten in the league. The Comets had hoped for a better season than last year, but due to pitching problems early in the season, the Comets just couldn't get on a winning track.

Although the Comets had a disappointing season, there were many high points throughout the year. Shaun Davis set a new school record with twenty stolen bases, and a .417 batting average. Also Mike McCormick set the ERA average of 2.53, a new school record.

Row one: Mark Bertolino, Sam Broadway, Larry Epifanio, Shaun Davis, Kevin Robinson, Mike McCormick, Jeff Hoffman, David Wilson. Row two: Ron Jackson, Myron Asher, Kevin Williams, John Smith, Leroy Kirkland, Coach Rich Dueser, Kevin Jones, Richard Wilson, Reggie Furch, Andre Perkins, David Wilson.

Front Row: Josephine Aguhob, Nancy Abegg, Trisha Durham, Tracey Raftery, Gail Frauenfelder, Kim Collier, Beth Saey. Back Row: Lisa Carpenter, Marni Rideout, Linda Burroughs, Shelley Stulko, Colleen Donnelly, Trisha Linhares, Kathy Swift, Coach Bill Merello.

VARSITY STRUGGLES

Although the girls' varsity soccer team only won three games during the 1986 season, the future looks bright with a group of outstanding freshmen waiting in the wings to lead the Comets for three more years.

Offense was the problem during the major part of the season with the Comets having continual problems hitting the back of the net.

Key players for the Comets this year were led by goaltender Lisa Carpenter, who kept the Comets in many games according to Coach Bill Merello.

The Comets' Nancy Abegg and Gail Brashers go for a loose ball against Maplewood.

Gail Frauenfelder controls the ball while Linda Burroughs looks for the overlap pass.

JV DOWNS NORTH

Although the JV Comets ended the season with a dismal 2-14 overall record, the team had one bright spot that made it all worthwhile — they defeated McCluer North for a first-ever victory by a Comet JV team over the Stars.

The Comets defeated Ritenour for their other victory, and lost six other matches by one goal.

The Comets, under head coach Drew Foster, probably could have had a winning season if they had only been able to put the ball in the net in a few of the close games the team encountered throughout the season.

With a wealth of freshmen talent, the Comets are hoping to gel as a unit as the girls move on to varsity competition in future years.

GIRLS' TRACK

Comet runner Taushawn Barnett takes the baton as McCluer increases its lead in a relay event at Cross Keys Middle School.

INDIVIDUALS LEAD

A mixture of solid individual seniors and freshmen was the key for the Comet girls' track team for 1986.

Seniors such as Anita Bertolino, Janet Buss, Charlotta Johnson, Taushawn Barnett, and Vicky Parker joined freshman phenoms Dawn Washington, Alvera Russel, and Katrina King to provide balance for the Comets this year.

Although the team, coached by Mr. Bill Becker and Mr. John Tressler, failed to advance anyone to the State meet, the Comets' future looks bright with the added experience of this year's talented crop of freshmen.

Freshman Katrina King in the shot and discus is one of the hopes for the future for the girls' track Comets.

Three McCluer runners lead the pack as they head toward the final straightaway.

SPRINTERS DOMINATE

The boys' track team, which was dominated this year by a strong group of juniors and freshmen, looks like a team to be reckoned with next season.

The Comets finished near the top in several big meets this year, but never could quite come up with the depth necessary to finish in the top spot. The team finished 6th out of 28 schools in the East St. Louis meet, 6th out of 29 schools at Belleville West, 4th out of 16 teams at the Herculaneum meet, and 3rd out of 12 schools at the Hazelwood East Invitational.

Sprinters and hurdlers led the team this year with Eric Young leading the way in the 100m, 200m, and the long jump (where he posted an area best for the year). Gary Denwood, Hu-Tepa Young, and Latrell Ware also helped the Comet sprinters.

Jeanne Crouch and Barb Dilthey take a start for the 50-yard freestyle.

Andrea Whitson counts Joan Cather's laps for the 500 Yard free.

Debbi Buss takes a breath as she finishes the 100 yard breastroke.

Not pictured: Joan Cather, Vicki Overturf, Heather Thompson, Becky Kedge.

SWIMMERS LACK NUMBERS

The McCluer girls' swim team finished sixth in conference even though they had a 0-13 record. "We haven't got enough girls to fill all the events and that is where we lose," stated Coach Fred Crouch. Four girls went to state this year: Buffy Askew in the 200 medley relay, Jeanne Crouch in the 50 free, 100 free, and 200 medley relay, Debbi Buss in the 200 medley relay, and Barb Dilthey in the 100 backstroke, 50 free and 200 medley relay. Amy Hatch went to state this year as an alternate. There was no problem filling the diving events with four divers: Buffy Askew with 194 points, Megan Brown 135, Tracy Shoemake 132, and Andrea Whitson 151. Coach Crouch stated, "Next year will be the best because most of our top swimmers will be seniors and the others will have experience. Susan Pope who is a freshmen, brought her breaststroke time down a lot. Overall, it was a very good year."

MCCLUER VICE?

The boys' tennis team, otherwise known as McCluer Vice, sported a new look this year, but the results were less than enthusiastic.

Team captain Chris Dillow had to pull a lot of weight for the inexperienced Comets this year. Other major contributors for the Comets included Eric Meyers, Daryl Jones, Tony Smith, Matt Monroe, Jeff Pope, Bill Beck, John Woulf, Al Klein, Jerry Lenhardt, Amit Shah, and Matt Berry.

Coach "Skip" Schmidt commented, "The one thing we were lacking this year was experience in competitive tennis. We had some players who made great strides this year, but our lack of experience was our downfall."

RAINY SEASON

This year's golf team, led by John Dixon and Brad Sweet, did not live up to their dreams or hopes as expected. With an overall record of 3-13, Coach Heyne was still proud of the team and their 7th place finish in Districts.

In golf, a high score (or low score) is preferred to a low (or high score). Sean Wallingsford's best was a 35 compared to a 40 or more. Unfortunately the team did not have enough high scores (or low depending on how one wishes to look at it). Good luck next season Golfer's of McCluer!

I Lesley A. Covington being of a little mind and a lotta body, leave my boldness, humor, poise, and sympathy to Alicia, Brenda, Marcia, Tracy and Virginia.

I Charlotta Johnson being of psychotic mind and sexie body, leave my million dollar Merry-Go-Round wardrobe to Tammie Powell.

I Rob Wood being of not-often sober mind and used body, leave (not that anyone deserves it) my pains during announcements (not mentioning any names, Mcgan) to my enemies.

I Andy Beamann being of unsound mind and abused body, leave my much needed Hockey skills to the 1986-87 Hockey team.

I Mary Trapp being of sound mind and body leave Susan Gisburne's looks to the sophomore girls, and her body to the sophomore boys.

I Susan Gisburne being of wasted mind and taken body, leave Mary Trapp's reputation to live on at McCluer Senior High.

SENIOR MEMORIES

Mary Trapp: My most memorable time during high school years was being on t Homecoming Court my Senior year.

Julie Ann Hitt: My most memorable time during high school was my Senior Hom coming. Everything was perfect, the dance, the decorations and my date

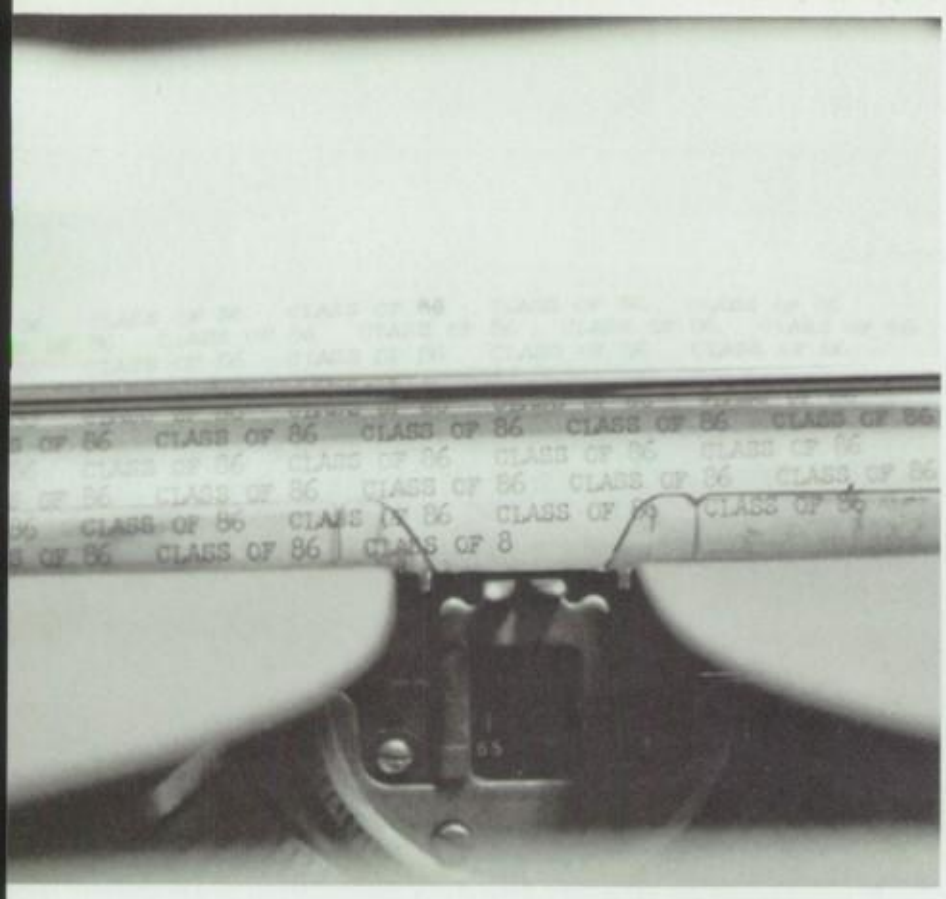
Anna Tillman: My most memorable time was my Junior year when I went to the 19 Homecoming with James Stephenson. Ever since then, we grew closer a closer to each other.

Melissa Carol Horvath: We Were the first Freshman class at McCluer and we got a lot of the attention from the Seniors. I dedicate my most memorable year to the class of '83.

Larry Weber: My most memorable moment was when I was a Freshmen, and I was named Freshman of the Week. I felt so happy and overjoyed. The chances of that ever happening again are very slim.

Vicky Parker: In my Freshmen year on the first day of school coming to the M-3 Building, I tripped on the step in front of all those Seniors.

Deborah D. Burns: My most memorable moment-one of the first Freshmen here, and my most memorable will be leaving here.



aire Towle: When I was a Freshmen, my friend and I, Kathy Rempe, put trick candles (the kind that don't blow out) in a ding-dong for Dave Stade's birthday. We were in the cafeteria when we gave it to him, and it looked like the cafeteria was on fire! The cafeteria ladies kept telling us to blow them out but they wouldn't blow out!

eith Bradbury: My Freshman gym class at Rossville-Alvin High when the Seniors taped me to a volleyball pole and put a pylon on my head.

ob Wood: My most memorable moment was during my Junior year. On the way to the Pom-Pon/ Cheerleader hayride I passed up Wendy Krone and Mike Montgomery at about 85 on the partial shoulder of 270.

awn Enloe: My Freshman year when I met Joe and all my other good friends. My Senior year when I met my friends Stephanie, Mike, and Brad. They were great. Finally when I found out I passed all my classes my Senior year.

Tonya Brown: My most memorable time during my high school years here at McCluer was during my Freshman year. We, the class of '86 were the first not treated differently.

Mike Mannion: My most memorable moment was in my Freshman year when I was called down to the office. I thought I was in trouble but I received congratulations for my grades.

Nancy Pankey: My most memorable time was during my Freshmen year. I was afraid that the Seniors who were here then would look down on Freshmen as their little sisters and brothers, but now that I'm a Senior I can set an example for the Freshmen who are here at McCluer.

Chandra Williams: My most memorable year was my Freshmen year because I thought I was the shortest one.

Dwayne Borden: My most memorable time during my high school years was when I fell down the M-3 steps in front of nothing but girls on a very rainy week. Everyone was laughing at me.

Greg Wright: My most memorable time was when Kevin Halloran and I went to Mizzou last year for State swimming and to party. We had a great time!

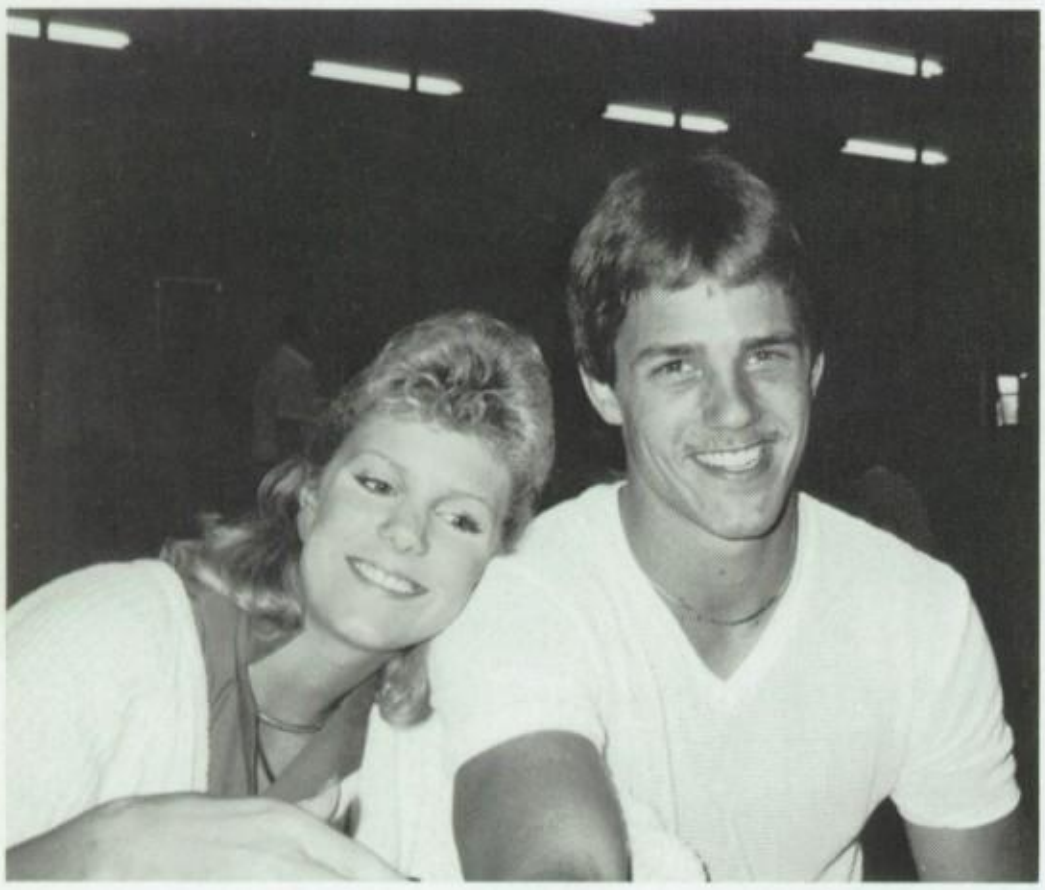
Michael Akin: My most memorable time during my high school years was when I had my birthday party Friday night after school and I got a cake shoved in my face.

Chris Stephens: The best time of the day is before and after school in the parking lot and during lunch talking in the cafeteria. Just being with friends is great!

Paula Harvey: The most memorable time I had in my high school years was when a couple of my friends and I skipped our 2nd hour class during the Black American Assembly for Dr. Martin Luther King Jr.

Tonya Martin: My most memorable time was Senior skip day. Everyone met at Shoney's for breakfast and after Mike Phillips and George Hollowell ate their 5 plates, we met over at Mike's house and watched movies!

Lesley A. Covington: My most memorable time was the first day of school for the 85-86 year because I was a Senior and I was looking forward to the Senior activities.



Yolonda LaNell Gilyard: My most memorable moment of high school is the thought of making it thus far to follow my dreams for me and my son, Kevin LeAndr Gilyard, who was born during the 84-85 school year.

Tim Sumpter: My Senior year by far has been my most memorable, and I owe m happiness and great times to someone special.

Feryl Phillips: My most memorable times during my high school years were spen with Gerald A. Marshall, someone whom I loved and shared half my life wit We will always love each other as much as now.

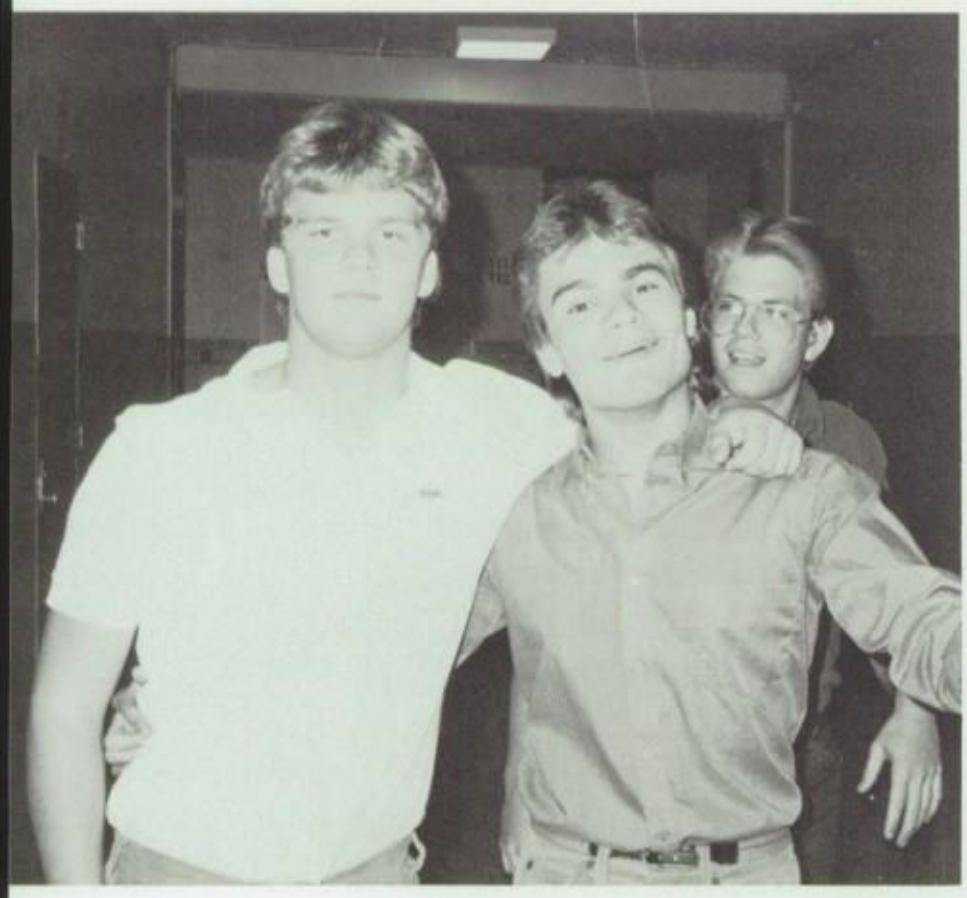
Andy Beamann: My single days.

Stephanie Duncan: My memories are when I got 6 tardies in one day, when I started acting totally crazy, and when I left this school in 1986 to graduate.

Sharon Pate: At high school? Ha-ha!! None at all. My most memorable times have been on weekends and out of school.

Carmit Slaughter: My most memorable time at McCluer was leaving McCluer.

Ron Nickel: My Senior year when there were 7 fights in one lunch period and the fact of Megan Brown getting a Ding-Dong shoved in her face.



Dave Paisley: When someone told me about Megan Brown being splatted with a Ding-Dong in front of the whole cafeteria.

Brad Sweet: When Kevin Halloran shoved a Ding-Dong in Megan Brown's face and when Tony Beins and Kevin Halloran, etc. tee-peed Paula Porter's house the day before Prom!

Paula Porter: My most memorable time during high school was when my house was tee-peed the day before Prom and going to soccer games at Lindenwood last year.

Chris Ankenbrand: My most memorable time in high school was the tee-peeing of Paula Porter's house.

Phillip Wicks: Learning how to do a back-flip, courtesy of McCluer gymnastics was my most memorable experience, because I had always dreamed of doing one and never had the courage until they gave it to me.

Mark Anthony Adair: The most memorable time during my high school years was when I inserted tweezers in an outlet socket in Chemistry in the tenth grade. It was a shock I'll never forget.

Jackie Keau: My most memorable time was coming into my Adv. World Studies class first semester of my Junior year. Everyone would clap if I made it three days in a row and on time.

Toshie Mochizuki: The hardest things for me are the moving classes. I did not like this system (of course I still do not like it very much)

Robert "Woody" Kosyan: I remember the time Mr. Leonard busted me during my Senior year for climbing to the top of the M-2 building on the parking lot side. He wasn't too happy about it.

Jason Kemmery: When I was a Freshman, my algebra teacher threw a chalk eraser and hit me in the head. I threw it back and hit him in the head, too.

Regina Hudson: My most memorable time was last year when I had a little difficulty with my Journalism teacher; you know who you are Z.

Marla Estrada: My most memorable time of my high school years would have to be serving as an officer of the McCluer Pom-Pon squad and all the good times it brought.

Cheryl Henderson: My best memory here at McCluer would be our Pom-Pon performance to Freak-a-zoid with strob lights. The crowd was ecstatic and so were we.

Valerie Jones: The best time I had at McCluer was when I first saw the pommies perform their light show here at the basketball game. I got separated from all my friends in the crowd. It was so funny.

Janet Buss: My most memorable time during my high school years is beating the cross-country trails and/ or roads with all the wild and crazy people on the cross-country team.

Charlotta Johnson: My most memorable time in my high school year was breaking the school's track record in the 300 meter (low) hurdles with a time of 49.1 seconds.

Terrence Hampton: My most memorable time was playing football for the McCluer Comets and Senior skip days.

Cindy Adams: My most memorable time during high school was the Winter Assembly where the boys' basketball team performed to music, and when I filled out Christmas ads for all my friends in the Christmas edition of Scoop.

Anthony Q. Flye: My most memorable time during my high school years is being a consistant Fresh B-boy during all four years!

Jay Lenhardt: Beating the best team in baseball last year.

Nadine Potts: After our Volleyball season which was great due to our coming in second place in District. We had our banquet which was fun but in a way sad, because I will miss my friends and their crazy ways.

Kyle Whitson: My most memorable time at McCluer was when the soccer team won third in State. Everyone came and cheered at Lindenwood. It was a tremendous feeling for me to have the whole school behind us.

Terrance Weaver: When I was a Freshman, I won the 'Lucky Ninth Grader' Contest in which I received a McCluer trash can (what a collector's item)!

Chaille Snow: Playing with the St. Louis Symphony.

Mike Eagan: My most memorable time during my high school years was when our band participated in the V. P. Parade this year. Our band also participated in the Union Station celebration and was part of Missouri's largest marching band!

Megan Brown: The most memorable time of my high school years would have to be the curtain calls for Bye Bye Birdie my Sophomore year.

Tina Landis: At the present time, the most memorable time I remember having was going to see the Hooters in concert with my best friend in the whole world, Sharon Pate.

To Jeff,
A good friend that I had the Pleasure of meeting this year. You made Data Processing more bearable with your sense of humor. You're a very sweet and cute young man considering the fact that you're white. And having terrible ideas about women staying home and being bare footed and pregnant. Let me give you some advise, Drop that idea or all your cuteness won't do you a world of good. Hope you all the luck in the world.
Your Friend Always

Sorry, I didn't see it till later! Thanks anyway! This little page is that all?

Dear Jeff,
It's been great knowing you & having you in class - it was so good to be could go to France with us - it was fun, wasn't it? Best of luck in the future. Drop by & see me sometimes.

Jeb, how does it feel to be a senior? Hi Baby, how are you? I'm glad we met and have had a great year. I hope you have a great summer and get a car! Keep in touch and come see me. Love ya, Debra

Jeb, well it's been a long long time but it's finally over!!! I'm glad we're still friends after all these years! You are so privileged to have me sign your yearbook!!! Ha! Ha! Have fun this summer. Good luck in the future and have fun in the ARMY!

Love, Cheryl Peterson

Jeff,
Well, the year's over and I really hate to see you graduate and leave us here suffering through French class all alone! I'm so glad we met and got to become friends this year. France was awesome - I really don't think I would have survived without you for the first couple days! You are so funny, and I'll miss you next year! Have a great summer and good luck and best wishes for a successful, fun-filled life! Love,
Ya!

P.S. Don't be a stranger this summer! Give me a call sometime! 524-8406

Jeff,
I'm very glad that you were in my French class, you learned it up tremendously. I wish you the very best of luck in your many years after you graduate.
RMH

Jeff,
It's been very entertaining having you in French. Oops that sounded bad - I didn't mean "having you!" Get your mind out of the gutter! You can always have me to thank for being on the comittee to decide to give you books for France. From one world traveler - "Haviez a nice summeriez!" Have fun in the Army (Is that possible?)
love,
Class of 86
Soon to be 90! Margo Lew

Jeff,
So, haven't had a class w/ you up here yet (that's not saying much) but I just wanted to say I'm glad you decided to graduate. Good luck in some other school and have a good life.
Love,
Karen

Jeff

I'm so very glad I got to meet you. You are one of a kind. You've got the best sense of humor in all the world. I'll miss ya lots next year. Be good! Good luck in the Army and in all you do.

Love ya lots,

Karen Mitchell

Jeff,

Hi there! Gosh, I really don't know what to say but actually, I have plenty to say. I suppose I could give you one of those "originals" like you gave me. You know, the kind that go like this: "you're real sweet but sorry I didn't get to know you too well." No, I'm just giving you trouble. Seriously though, thanx alot for signing my yearbook. I felt so stupid going up to you but I had to because I'm leaving this school

too. I'm supposed to move in August out to St. Charles. So, I'll be going to big, bad, Francis Howell. Oh boy! The major point here, is that I wanted to remember you. I wish I would have got to known you earlier in the year. I knew you but not really. It figures the last three weeks of school and I've finally got enough nerve to kind of talk to you. So how does it feel to be a big senior? It must be nice! Gosh, only two more years for me! I couldn't help noticing that you're going into the army. Does that mean that you're gonna become a major skin head like Scott Crader!?! We'll have to keep in touch, okay? This isn't even like an autograph, it's more like a letter. Agree? Well anyway, I really will miss you even though I hardly know you. I say that we go out sometime soon or at least before you leave to go to the army!!! what do you say, Jeff? Some might you ought to stop by Taco Bell (where I work). T.B. is really stupid and I could use some of your humor! Well, I think I'm gonna let you go. I wish you the best of luck in your future. Gosh, the girl who steals your heart will be so lucky! How was that blurt or what?

Love ya,
Karen

Jeff,
YOU'RE GOING IN THE ARMY??!!
I didn't know that! Good luck! I hope you can make it through basic training. (HA! HA!) Gosh, little Jeff Meyers from Combs School is graduating from High School and going in the Army! Who would've ever guessed? I used to like you in grade School, y'know, but you never saw past Stacey Phares. (You prob'ly still don't.) I remember the time, I think it was last year, when you & Doug Deubner got in a fight after School. Unfortunately, Doug won. Don't worry though, you're still my hero! Know somethin? Ever since I was a freshman up here I've always wanted to talk to you, but I guess I thought you'd think I was wierd, or you wouldn't remember me. It's strange how one person (Doren) can bring two others together, isn't it? Well, I'm glad we're finally friends! Now lets not let it end just because Summer's here or because you're going in the army, K? Call me before you leave. DON'T FORGET!
Love, Kim Williams ☺

Jeff,

I do <u>not</u> know where to start! I've known you all my life and we've been through a <u>lot</u>. All this time I've never understood why we tried to make it work <u>five</u> times and failed!! Every since the first time we went out back in 5th grade I've liked you. I always wanted just one more chance to make it work and finally got it. We had a lot of fun when we <u>supposedly</u> went to Rocky Horror (maybe some day we can really go!) And then I had to mess it up <u>again</u>! I'm really sorry for acting like a bitch to ya but I'm <u>stupid</u> sometimes!! Right? I shouldn't have jumped to conclusions. Thank for calling and straightening things out cuz I didn't want you to go in to the army hating me for something stupid. I hope we can go out again b4 you leave because I think we get along pretty good when we're not going off on each other! I just can't believe Jeff, my grade school, jr. high and highschool sweetheart (aaawe!) is graduating and leaving me here, I'm gonna miss ya a <u>lot</u>! You're a good looking and sweet (most of the time!) guy and <u>don't</u> change! Again, I'm sorry for the misunderstanding, please forgive me! I'll miss ya bunches!

187 <u>Call me</u> and <u>write me</u>! Love ya lots,
Stacey Rhares
